About Us

Interlink team is comprised of young professionals who drive the innovative and dynamic aspects of the business, and yester years wealth of experience from the pioneers spanning two decades who oversee the overall business.

Thanks to our partnership with various industry players for the past decades, Interlink Flowers (K) Limited has made its mark in the Kenyan flower industry as one of the finest and biggest consolidators of fresh-cut flowers. Our customers range from big wholesalers serving the European market to import florist and vendors in far flung corners of the globe from Middle East, Far East, Australia, Russia, China, and Africa.

Why Interlink?

Credibility has been the mark of success to our brand. We have anchored our business on trust, transparency and integrity. Nurturing cordial relationships with our partners from growers, suppliers, airlines and agents ensures nothing is left to chance.

The wealth of experience over the years and the reality of digital space has revolutionized how we interact and adapt to unique requirements in different markets. We pride ourselves in ability to adapt to ever evolving market dynamics using the digital technology which has shaped our mission to be simple, flexible, innovative and creative in offering fast and reliable solutions to today's market needs, while inter-linking a resourceful network of various players, both locally and internationally. Thus the name Interlink.

We see our customers and other industry players as our partners

Mission

At Interlink Flowers, our mission is to provide the highest quality flowers and floral arrangements to our customers. We strive to create beautiful, unique designs that will bring joy to those who receive them. Whether it's a special occasion or just because, we want to help make your day a little brighter with our flowers.

Vision

To be the premier destination for all your flower needs, whether it be for a special occasion or just because. We strive to provide the freshest and most beautiful blooms sourced from local growers. Our team of talented florists will work with you to create arrangements that perfectly capture your vision.
